

# Keyingham Primary School

## Reading Curriculum Map

At Keyingham Primary School, our children have a daily Reading lesson from Year 1 to Year 6 covering the following genres on a weekly rotation throughout each half term:

Week 1: Authors

Week 2: Wider Curriculum (linked to key Foundation Subjects)

Week 3: Story Type (e.g. traditional/classic/fable/short story)

Week 4: Poetry

Week 5: Notable People in History

Week 6: Song Lyrics

Week 7: Wider Curriculum (linked to key Foundation Subjects) \*when we have a 7 week half term

Each week, the following reading skills are taught through the lessons:

On Mondays, we focus on vocabulary acquisition to support our understanding of the text and the concepts within. We also focus on improving our retrieval skills through a range of questions and answers.

From Tuesday to Friday, we focus on sequencing, inference and prediction question types in Key Stage 1 plus summarising and explaining question types (including authorial intent) in Key Stage 2.
